

The College of Emergency Physicians is pleased to announce their first Clinical Toxicology Course in Malaysia.

Course Details:

Date: 10-11th March 2014

Time: 8:00am-5:00pm

Venue: Academy of Medicine,
210, Jalan Tun Razak,
50400 Kuala Lumpur

This first course will be conducted by clinical toxicologists from the Hong Kong Poison Information Center, Hong Kong.

The course will cover essentials in management as well as identification and treatment of poisonings and envenomation. Lectures as well as workshops will be conducted.

Emergency physicians, physicians and paediatricians are encouraged to attend so as to improve their knowledge on clinical identification and management of toxicology cases.
